AUSTRIA'S REPLY
NOT EXPECTED TO
SATISFY THE U. S.Washington Awaits Receipt
of Official Text From
Vienna.

OUTLINE IS DISAPPOINTING

Unofficial Excerpts Indicate That
Austria's Reply Will Endanger the
Friendly Relations of the Two Na-
tions; Wilson and Lansing Confer.

By Associated Press.
WASHINGTON, Dec. 16.—Early to-
day the State Department had to ad-
dress the world from Vienna whatever
Austria's reply to the American note
Secretary Lansing read the news dis-
patches containing excerpts of the
Austrian rejoinder, but reserved any
comment until he has received the full
official text from Ambassador Fer-
dini.

The official over night dispatches
contained no indication that the reply
had been delivered to Ambassador
Ferdini, or that it was on its way to
the United States. Official telegrams,
however, have been generally holding
the news dispatches in front of the
diplomatic exchanges with the Ger-
man powers because of the diffi-
culty of transmission and the long and
intricate work of coding and decoding.
President Wilson read the outline
of the reply as contained in the Lon-
don dispatches as soon as he reached
the executive offices, but there was no
indication of how he regarded it. It
was known, however, that both the
President and Secretary Lansing re-
garded the outline as unfavorable, and
that it might be indicative of the whole
of the reply, as too fragmentary to
warrant comment.

In official circles the general im-
pression prevailed that the tone of the
outline extracts did not seem to
forecast a favorable turn of the reply,
a whole, still in the absence of the
full text, final opinion was reserved.
Until the full text is received and laid
before the President, the situation
may be described as still in suspense.
These officials agreed that the pres-
ent outline of the reply, if a thor-
oughly satisfactory reply from Aus-
tria will emphasize the continuance of
diplomatic relations between the two
countries.

It was made clear authoritatively,
however, that if the whole text of the
reply was in the same tone as the
outline extracts, it would be regarded
in the United States as unsatisfactory.
It was made plain that the United
States will not accept the suggestion
of entering into diplomatic correspon-
dence which may be prolonged.
Officials considered that the wording
of the outline extract was vague, but
they felt that that connection the pos-
sibility that it may have been made
vague in translation. The point was
regarded as sufficient for receiving of-
ficial comment until the official text is
at hand.

One official of the State Department,
who spoke with full knowledge of the
policy, declared positively that the
United States will not enter into any
exchange of opinion on Austria's
reply, and would absolutely
refuse to enter into any discussion of
the facts.

BRILLIANT RETREAT

BATTLES BULGARIANS
CONNELLSVILLE, Dec. 16.—The next move
in the Balkan theater of war occupies
the attention of the American and
British correspondents of the Brit-
ish press.

There are 200,000 Entente troops at
Sofia, according to the Daily Mail,
whose Sofia correspondent writes that
the retreat of the Entente Allies
was so brilliantly carried out that the
Bulgarian forces were unable to
do at any point to overtake and de-
feat them. In fact, the Bulgarians
were so deceived by the rapidity of
the movement and the precision of
the movement of the Entente troops
that they lost much time in hunt-
ing for them in positions near Strum-
itza, which the French force had
abandoned on the preceding day.

According to the correspondent of the
Times and the Morning Post, the
Entente forces will hold on the line
from Karaman in northern Greece,
on the Vardar river, in Rhodope
Greece, which they will try to hold
until the Saloniki positions are fortif-
ied. This line already is fortified
and there is a strong British force
made up mostly of cavalry in the
north and northwest of Rhodope
on the Balkan railway.

GET SMALL LOOT.

Open Safe.

By Associated Press.
MINNAPOLIS, Dec. 16.—A southern
passenger train No. 1 on the Kansas
City Southern railroad was held up
between Earlton and Acorn, small
stations near here, early today by
three robbers. They blew open the
safe in the express car.

The loot, according to railroad offi-
cials, consisted of four registered
packages of small value.
Michigan Is Taken.
DETROIT, Dec. 16.—Austro Hun-
garian troops pushing their advance in
Montenegro have gained the vicinity
of Biograd on the Danube river about
20 miles west of the Serbian border,
it was announced today by the Ger-
man army headquarters.

STRAY DOE WANDERS INTO
TOWN AND IS LOCKED UPWill Be Held at South Connelville
Until It Recovers From Its
Lameness.

A doe which apparently had wan-
dered away from the herd of deer in
the mountains of Springfield town-
ship was captured by Constable Nor-
val, station of Springfield, last night
and locked up in Brown's stable. It
was discovered to be lame, so it
will be kept penned up until it
recovers and then taken back to the
mountains.

The doe had been seen at various
places on the South Side recently. On
Sunday it came down to the pond at
Solomon Park and watched the skaters.
The same animal went to the back
door of the house of Fred C. Marler
on Madison avenue yesterday, and
his small son called the family to
see the "funny dog."

Local sportsmen will see that the
animal is cared for. The season for
deer is closed for three years in Eu-
state county and this animal is one of
a herd that has grown from those set
out on the Buttermore farm in
Springfield township about a year
ago.

BASEBALL PEACE LIKELY

Players, However, May Demand Pro-
tection of Their Interests.

Special to The Courier.
NEW YORK, Dec. 16.—New angles
in the baseball peace situation de-
veloped rapidly today and the efforts
of organized and independent inter-
ests to get together on a harmonious
basis may result in a permanent
peace plan, readjustment of the entire
professional baseball structure. Many
of the players who are in the propos-
ed peace agreement the passing of
big salaries and long term contracts
are demanding that their claims be
considered in any arrangement made
between the various leagues.

Although the "Players' Fraternity"
has not yet issued its regulations, it
is known that the officials of that
body have been in close touch with
the situation and are prepared to
make a fight if their rights are
threatened.

The injection of new interests and
large amounts of capital into the
National League is expected to great-
ly strengthen the senior organiza-
tion.

LOTS OF KIDNIDING.

Hay Wagon and Lumber Sled Meet
With Mishaps.

Skidding on slippery corners today
caused an axle to be broken on a hay
wagon and also upset a sled of lum-
ber that had been brought down from
the mountains. At the corner of Arch
and Adams streets a hay wagon slipped,
and hitting the curb on the west side
of Arch street, snapped the axle of
the rear wheel. The hay had been
brought from Bolivia and was to be
undocked on the West Side. It was
nearly dark when the hay from one
wagon to another.

A sled loaded with posts when turn-
ing into North Carnegie avenue from
Main street, skidded and upset.

MAY RAISE RATES.

Railroads in Pittsburgh District Want
Higher Coal Rates.

By Associated Press.
PITTSBURGH, Dec. 16.—Railroads
operating in the Pittsburgh district
have filed tariffs with the Interstate
Commerce Commission, proposing in-
creases in freight rates on bituminous
coal from Pittsburgh to points in the
middle west.

The increases would be effective
January 26. The amount of the in-
crease has been figured today by experts
of the Commission. The usual course
is for the Commission to suspend the
increase pending investigation.

MRS. DREXEL WINS.

Gets Judgment in Suit Against Her
Banker Husband.

By Associated Press.
LOUISVILLE, Dec. 16.—A judgment in
favor of Margaret Armstrong Drexel,
wife of the American banker, Anthony
J. Drexel, was rendered today in her
suit to recover money under a separa-
tion deed.

The point involved was Mrs. Drexel's
motion to set aside the service of a
notice of a writ by the wife to re-
cover money due under the deed on the
ground that his domicile was in
France, and that therefore he was
outside the jurisdiction of the Vir-
ginia courts.

GIVES A FREE RIDE.

Boys Had a Jag to Lockup on Their
Sled.

Patrolman Frank Gano called
several boys with a big sled into ser-
vice this morning when he arrested a
drunk on Main street. The prisoner
had so much on that he was unable
to steer himself.

All went well until part way down
Main street. Then the drunk, not sat-
isfied with getting a free ride, fell off.
The sled patrol is something new,
although the wheelbarrow has often
been called into service.

French Order Ruled.
PHILADELPHIA, Dec. 16.—The
Pennsylvania Steel Company, an-
nounced today that the French gov-
ernment had placed an order for
\$5,000 tons of steel rails.

Every Red Cross Seal Purchased
Is a Bullet Fired Against Disease

As has been the case for several
years past, the American Red Cross
society is raising funds to aid in the
warfare on tuberculosis. "Get Your
share of Christmas happiness by help-
ing those who are fighting tuberculosis
in your country and right in your own
state or town," says the society's ap-
peal. The Red Cross department has
issued special directions concerning
the use of these seals. In the picture,
No. 1 shows type of homes in which
tuberculosis finds many victims; 2,
corrected exercise for children; 3,
corrected exercise among mountaineers.

BASKETBALL IS BEING REVIVED; HALL OBTAINED

Maccabees: Consent to Use
of Their Gymnasium
for Games.

GIRLS ARE SHOWING INTEREST

Organize a Team and Engage a
Coach; Former Juniors to Come
Back and May Announce With the
Maccabees; Good Games Promised.

By the generosity of the Maccabees' lodge amateur basketball has again been introduced into Connellsville and if the same now organizing materialize some good games may be played in the near future. The Maccabees have rented the floor for different nights in the week to basketball teams and the city will once more be on the basketball map.

Even a girls' team has been picked up and the young women take possession of the floor in the afternoon. Some of the girls are developing into good players and will be in the class of any other feminine team in the county.

The girls are mostly high school students living in the West Side and the South Side. William Martz has been picked as a coach for the team. Martz played on the high school football team this year, and he thinks he knows enough basketball to teach the girls important points in the game.

A team that formerly played as the Y. M. C. A. Juniors has been revived and has secured permission to play in the Maccabees' hall. The members of the team all expect to join the lodge in the future and the quietest will probably bring several out of town teams in for games during the season.

The Juniors showed up well last year and practically everyone of the players is in the lineup again this year. A captain for this season has not yet been elected but it is probable that another member of the team will succeed former Captain Dewey Miller. The team will try to get a game with the Leiseling basketball team as an opener to the season and through the majority of the season may have to be played away from home some teams will play return games here.

Another team is in the first stages of organizing. The players on this team are coming from the West Side. The West Side had a team last year that played several games away from home. It being impossible for any outside club to be brought here on account of the lack of a hall. There are two teams on the West Side but owing to such rent neither can be afforded for games as amateur contests do not draw crowds.

The West Side five has not yet elected a captain nor picked the members of the first team but a selection will be made soon.

Early in the season before the Maccabees began to rent their floor in the academy it looked like Connellsville would not have a basketball team this year. Uniontown and Southside both have teams and it is probable that games may be secured from those places. A girls' team is something that Connellsville has not had for several years. About five years ago a team of high school played in the basketball hall on the West Side but since then no attempt has been made to organize a feminine team. The girls are eager to secure a game with either team of the fair sex to be played either at home or away. For a girls' team to Coach William Martz, corner Glubb and Main streets, West Side.

NO MORE BACKACHE NO MORE MISERY

Hundreds of people have been relieved of the agonies caused by weak, diseased or clogged-up kidneys by using Solvax, the new remedy that quickly reaches the source of all kidney complaints.

If you suffer with pains in your back and sides or have any signs of kidney or bladder trouble such as rheumatic pains, puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired and run-down, or bothered with urinary disorders, Solvax will quickly and surely relieve you of your misery. Solvax is probably the most potent remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It neutralizes, dissolves and makes the kidneys spit out all the uric acid and poisons left by the blood, and renders the kidneys and urinary organs clean, vigorous and healthy.

Many of the best druggists say that no medicine ought to be paid for unless it does the user some good. Solvax therefore sells under a positive guarantee to quickly relieve the worst cases of kidney trouble or your money refunded. Try Solvax today and if you cannot see and feel a decided change for the better just go to the druggist from whom you bought it and tell him you want your money back and he will return it without question. This is the strongest argument that can be offered in behalf of any medicine. Solvax is sold in Connellsville and vicinity by A. A. Clarke and other leading dealers.—Adv.

IS YOUR COMB FULL OF FALLEN HAIR?

What to Do When Hair Comes Out.

Loose hairs in your comb and brush is Nature's way of waving a red flag to your face to tell you that your hair and scalp are losing vitality and that it is time you did something for them. Don't disregard the warning. A little attention now may mean long, thick, luxuriant hair for you for years to come. A little further neglect and your hair will fall out and your scalp will be baldness may result. To vitalize the scalp till it tingles with vibrant energy—to make every hair on your head healthy—get a package of Parisian Sage from A. A. Clarke or any druggist. It is a scalp tonic and rub a little of it into your scalp with the finger tips.

Duridan Sage acts directly on the entire cell life of the hair—from root to tip—helping healthy growth and stimulating a beautiful glossy texture and glorious luxuriance. Notice how quickly your hair stops coming out on brush and comb—how it is easier to handle and dress and how all signs of itching or dandruff quickly disappear. It is not expensive.—Adv.

Cured His RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. I refused. I was finally cured by Dr. A. L. Tucker. I am now a healthy man. I have never felt the same since. I have no more pain, no more trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation. If you write to me, Eugene M. Hollen, Caretaker, 642 B. Marcellus Avenue, Manhattan, N. SOISSON THEATRE

"A. RUFUS WALLINGFORD."—The epitome of gentled comedy is the amusing serial, "A. Rufus Wallingford" at the Soisson Theatre today.

Burr McIntosh and Max Pliman are the features and they, with Lolita Lupion, make a great comedy trio.

The Phantom Fortune is a three reel Gold Medal romantic drama featuring Holbert Henley and Lucille Maxim. Henley is cast as Stuart Duncan, the son of a socially prominent parents, who are on the rugged edge of poverty. The parents hope he will choose a wealthy woman for his wife, but he falls in love with a movie actress, and in spite of his parents, he marries her. "Safety First and Last" is an imp comedy with Victor Hotel and Lillian Hamilton in the cast. It is a laughable farce of the kind usually attributed to the exhaustion of a "third day" but a careful investigation will show that in very many of these cases the eyes are principally at fault.

"Salvation Nell" was produced by the California Motion Picture Corporation, who are showing Beatrice Mitchell in the title role. There is a powerful supporting cast in the production which has the advantage of many beautiful settings and some superb photography.

"Salvation Nell" clearly traces its source of inspiration to "All Sorts and Conditions of Men," written by the late Walter Deunt on the topic of the early days of the Salvation Army in London where it was founded in the '60's by the late General Booth.

Booth set out to rescue the submerged tenth in London's vast East End—a cesspool of crime, poverty, disease, all mostly caused by drink. "Salvation Nell," the modern play illustrates conditions which Booth saw and started to grapple with in the old world long before Mr. Sheldon produced his play. Still every credit is due Mr. Sheldon. For long "Salvation Nell" was doomed. Its professors were called and stored at the bottom of the sea.

Beatrice Mitchell has the part of her life in that of the adventures Nell, who after all her vicissitudes and lurid vicissitudes is redeemed by the army. The photoplay makes a wide appeal and is very well and carefully produced with a strong supporting cast.

After a Shopping Trip

Many women reach home all tired out, with a splitting headache and a general case of "nerves." There's an air of deep gloom in the household. Experience of this kind are usually attributed to the exhaustion of a "third day" but a careful investigation will show that in very many of these cases the eyes are principally at fault.

MT. PLEASANT, Dec. 15.—John Paskola, aged 47 years, died at the Memorial Hospital here last evening following an accident yesterday afternoon at the Carpentertown mine of the Mount Pleasant Coal Company. Paskola, who was loading a wagon that did not sit level, loosened the brake to make it sit different, when the wagon started back and threw him under it, badly crushing his right leg below the knee and fracturing both bones at the ankle in the left leg. At the hospital the right leg was amputated and he died from the shock. No arrangements had been made last evening for the funeral. Paskola was married. The First Ward Hose Company of the local fire department held their election and elected the following officers: Captain, Arthur Brown; Lieutenant, John Cooper; president, Frank Baker; secretary, Joe Harbinger; and treasurer, Harry McIndoe.

THE VALUE OF TRUTH

Truth in business is just as important as truth in every-day life; truth creates confidence, establishes good-will and builds a reliability that will not be wrecked by the storms of competition.

Through three generations people have learned to place reliance on the advertised words of Scott's Emulsion, because they are untarnished, unexaggerated truths about a household remedy of real and actual worth.

The popularity of Scott's Emulsion is increasing as intelligence advances, because in these days of adulterations it continues to guarantee pure cod liver oil medicinally perfected with glycerine and hypophosphites to build strength, improve the blood and strengthen the lungs. It is free from alcohol or opiates—a wholesome food- tonic, truthfully advertised.

FOR BRONCHITIS, SEVERE COUGHS COLDS AND WHOOPING COUGH

Make the Best Medicine at Home—128 Teaspoonful for 25 Cents.

Money spent for the old style, ready-made medicine usually sold in bottles holding only 2 to 2 1/2 ounces (15 to 20 teaspoonfuls) is largely wasted, because most of them are composed principally of sugar and water. Yet you have to pay the same price as if it were all medicine, and you waste this money. You can make a better remedy for bronchitis, colds, at home at one-fifth the cost. Merely go to Laughery Drug Co. and ask for 2 ounces (50c worth) of Schiffmann's New Concentrated Expectorant, which they guarantee will give perfect satisfaction or money will be refunded. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (128 teaspoonfuls). This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold, Bronchitis, Asthma, Bronchitis, Croup, Hoarseness and Whooping Cough. It will make much better home-made medicine to probably last the whole family the entire winter. Children like it, it is so pleasant to take. It is unlike any other medicine, and positively contains no chloroform, opium, morphine, or other narcotics, as do most cough mixtures. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. The above ingredients, in fact any ingredients in this city, will return the money (just the same) as is done with Schiffmann's famous Asthmador in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. Absolutely no risk is run in buying this remedy—under this positive guarantee.—Adv.

George Will Meet Early on Saturday
on Account of the Farmers' Insti-
tute; Post-Huntingdon Township

Special to The Courier.
SCOTSDALE, Dec. 15.—The Inter-
ests of The Scottdale Bank which has
been reorganized into a trust com-
pany, and application being made for
a charter for the same, in accord with
the wishes expressed in the will of
its founder, the late Joseph H. Stauder,
has organized, and expects to be
in business as a trust company by
February 10.

The Scottdale Bank will continue as
usual until that day and date, and one
of the most material changes will be
the promotion of a number of men
who have been connected with The
Scottdale Bank. The capital stock
of the new concern will be \$125,000,
with a surplus of \$25,000.

At the stockholders' meeting out of
120 stockholders represented in per-
son, and out of the 1,250 shares there
were 1,100 represented in person or
by proxy.

J. M. Zimmerman was elected to pres-
ide, and Charles B. Wiley was sec-
retary. A board of 12 directors was
elected as follows: W. F. Stauder, E.
L. Brown, E. Ralph Loucks, Robert
F. Brown, Thomas W. Johnson, W. H.
Clayton, J. P. Brown, William Fer-
guson, J. M. Zimmerman, Thomas J. Hill,
George C. Jarrett and H. A. Medsker.

The directors then elected the fol-
lowing officers for the trust company:
President, J. M. Zimmerman, who comes
up from the position of cashier in the
Scottdale Bank, with which he had
been connected for 25 years; first vice
president, E. L. Brown; second vice
president, E. Ralph Loucks, a new
man in the business and a son of the
late J. H. Loucks, one of the founders
of The Scottdale Bank; secretary, J.
M. Newcomer, who has been with the
institution for 12 years, and who is
promoted from second assistant to
first assistant in the new institution.

As provided for in the charter, on
the business of The Scottdale Bank, a
committee was appointed from the
stockholders to examine and accept
or reject securities offered by The
Scottdale Bank. The committee con-
sists of Robert F. Brown and E. Ralph
Loucks of Scottdale, and George W.
Stoner, cashier of the First National
Bank of Mount Pleasant.

The local firm of Smith & Snyder
was chosen as the local attorneys and
advisers in the matter of securing
the charter, and attending to the other
details of launching the new institu-
tion.
